If the ASX does not grant NOVONIX the Waivers, the SPP will be conditional on shareholder approval to be sought at an extraordinary general meeting to be convened if so required. The outcome of the Waivers will impact the anticipated dates set out in this letter.

2 Placement details

On 18 June 2026, the Company announced to ASX that it had received firm commitments from institutional and sophisticated investors for a placement to raise approximately A\$20.7 million via the issue of new Shares utilising the Company's existing 15% placement capacity under ASX Listing Rule 7.1 (**Institutional Placement**). Proceeds from the Institutional Placement and SPP Offer will be used to fund capital expenditure required to support production capacity and meet forecast customer demand.

For further information on the Institutional Placement (including the use of funds), please refer to the ASX announcement released by NOVONIX on Thursday, 18 June 2026.

Chairman's Letter

Offer to participate in the NOVONIX Limited Share Purchase Plan

Dear Investor

As you may be aware, on 17 June 2026 NOVONIX Limited (ACN 157 690 830) (**NOVONIX**) announced a placement of new fully paid ordinary shares in NOVONIX (**Shares**) to institutional and sophisticated investors which raised approximately A\$20.7 million (the **Placement**).

NOVONIX is now pleased to offer you the opportunity to participate in a Share Purchase Plan to raise up to A\$3 million (before costs) (**SPP**), allowing you to apply for up to A\$30,000 worth of Shares. Participation is optional.

Participation in the SPP is open to Shareholders who are shown on the Register to have an address in Australia or New Zealand, are outside the United States and are not acting for the account or benefit of a person in the United States (**Eligible Shareholder**).

Shares purchased under the SPP will be issued at A\$0.16 per share which is the issue price of Shares under the Placement. This Issue Price represents:

- a 33.3% discount to the closing price of \$0.24 per share on 15 June 2026; and
- a 31.2% discount to the volume weighted average price (VWAP) of NOVONIX's shares over the five consecutive trading days on ASX up to and including 15 June 2026.

NOVONIX has applied for waivers from ASX Listing Rules 7.1 and 10.11 to enable the SPP to be conducted at the Placement price and for the SPP Shares to be issued as an exception to NOVONIX's placement capacity under ASX Listing Rule 7.1 and as an exception to ASX Listing Rule 10.11 (**Waivers**). If the ASX does not grant the Waivers, the SPP will be conditional on shareholder approval to be sought at an extraordinary general meeting to be convened if so required. The outcome of the Waivers will impact the Key Dates summary and other anticipated dates of this Booklet. It is currently anticipated that, if shareholder approval is required, an extraordinary general meeting will be held for the purpose of considering the approval in mid-August 2026.

There are no brokerage, commission or transaction costs associated with participating in the SPP. An Eligible Shareholder may apply to acquire parcel sizes valued at:

- A\$1,000;
- A\$2,000;
- A\$5,000;
- A\$10,000;
- A\$15,000;
- A\$20,000; or
- A\$30,000

As set out in the announcement dated 17 June 2026, NOVONIX is raising capital to fund capital expenditure required to support production capacity and meet forecast customer demand.

Novonix is targeting to raise approximately A\$3 million under the SPP (before costs). The SPP is not underwritten. NOVONIX may, in its absolute discretion, apply a scaleback if it receives, in aggregate, Applications over A\$3 million, however it also reserves its discretion to apply a scaleback in any other circumstances. In the event of a scale-back, you may be allocated fewer Shares than the Parcel of Shares for which you applied. If this occurs, any excess money will be refunded to you, without interest. NOVONIX may also, at its absolute discretion, issue a greater value of Shares than the target amount if it receives, in aggregate, Applications over A\$3 million. If NOVONIX decides to issue a greater value, it may either accept Applications in full or scaleback applications, at its absolute discretion.

NOVONIX reserves the right to waive strict compliance with any provision of the terms and conditions of the SPP, to amend or vary those terms and conditions and to suspend or terminate the SPP at any time.

Shares under the SPP will have the same entitlements as existing Shares. This means they will participate fully in any distributions which have a record date after the date of issue of the new Shares under the SPP, if any.

To apply for a Parcel of Shares, please follow the instructions on the Application Form and ensure your Application is received in cleared funds no later than **5:00pm (Sydney time) on 14 August 2026**.

This SPP Booklet sets out the details and the terms and conditions of the SPP and I encourage you to read it carefully and in full, and to seek your own financial and taxation advice in relation to the SPP Offer, before making a decision on whether to participate. If you have any additional questions, please contact the offer information line (see details in the Corporate Directory at the back of this SPP Booklet).

On behalf of the directors of NOVONIX, I invite you to consider this opportunity to increase your investment in NOVONIX and thank you for your continued support.

Yours sincerely

Ron Edmonds

If you are a Custodian, you may choose whether or not to apply for SPP Shares on behalf of your Eligible Beneficiaries.

"**Eligible Beneficiaries**" are Beneficiaries with a registered address in either Australia or New Zealand as at the Record Date, provided that such Beneficiary resides in Australia or New Zealand, and is not in the United States or acting for the account or benefit of a person in the United States.

If you wish to apply as a Custodian to receive SPP Shares for one or more Eligible Beneficiaries, you must complete and submit an additional Custodian Certificate before your Application will be accepted. Applications by Custodians that are not accompanied by a duly completed Custodian Certificate will be rejected.

Custodians should contact the Registrar on the SPP Information Line (see details in the Corporate Directory at the back of this SPP Booklet) to request a Custodian Certificate that contains these certifications and other details required to be provided by the Custodian.

By applying as a Custodian on behalf of Eligible Beneficiaries to purchase SPP Shares, you certify (among other things) that each Eligible Beneficiary has not applied for an amount exceeding A\$30,000 across all of their holdings.

NOVONIX is not required to determine, and will not determine, the identity or residence of any beneficial owners of Shares. Each Custodian will need to determine for itself whether its beneficiaries are Eligible Beneficiaries.

Each Custodian must not participate in the SPP on behalf of, and must not distribute this SPP Booklet or any other document relating to the SPP to, any person in the United States. Failure to comply with these restrictions may result in violations of applicable securities laws.

Can my offer under the SPP be transferred to a third party?

No. Under the SPP Offer, you cannot transfer your offer to apply for SPP Shares to anyone else.

How much can I invest under the SPP?

If you are an Eligible Shareholder, you may apply for up to a total of A\$30,000 worth of SPP Shares across all your holdings.

What will happen if NOVONIX scales back Applications?

If NOVONIX scales back Applications in its absolute discretion, the value of SPP Shares allocated to you may be less than the Parcel you initially applied for.

Any scale-back will be conducted having regard to the shareholdings of Eligible Shareholders (as at the Record Date) who applied for SPP Shares.

If this happens you may be issued SPP Shares to a value that is less than the value of SPP Shares you applied for.

In the case of Eligible Shareholders with more than one NOVONIX shareholding, only the shareholding (as at the Record Date) on which an Application has been made will be considered in the event of any scale-back.

Should this happen, the difference between the value of SPP Shares issued to you (calculated using the Issue Price) and the Application Monies you paid will be refunded to you, without interest, as soon as practicable after the Allotment Date.

Will I receive notification of my issue?

Yes. The Registrar will send you a holding statement on or around 20 August 2026 which will include details of the number of SPP Shares issued to you and the Issue Price of the SPP Shares.

You are responsible for confirming your allocation of SPP Shares before trading SPP Shares to avoid the risk of selling SPP Shares you do not own.

Can I withdraw my Application (eg, if the market price of Shares falls after submitting my Application?)

No. Your Application, once submitted, is irrevocable and unconditional and may not be varied or withdrawn even if the market price of Shares is less than the Issue Price.

By submitting your Application, you are accepting the risk that the market price of Shares may change between the date on which you submit your Application and the Allotment Date. This means that, up to or after the Allotment Date, you may be able to buy Shares on market at a lower price than the Issue Price.

What do I do if I receive more than one Application Form?

Eligible Shareholders who receive more than one Application Form under the SPP because, for example, they hold Shares in more than one capacity or in different registered holdings, may apply on different Application Forms for SPP Shares but may not apply for SPP Shares with a total dollar amount exceeding A\$30,000 across all of their holdings.

What rights will the Shares issued under the SPP have?

SPP Shares will rank equally with existing Shares quoted on the ASX, with the same voting rights, dividend rights and other entitlements from the Allotment Date.

Where can I obtain more information on the risks associated with NOVONIX and holding NOVONIX Shares?

You should be aware that applying for SPP Shares involves a number of risks.

See NOVONIX's ASX announcements, including in particular NOVONIX's most recent Annual Report which includes a section on risk factors. These can be obtained from ASX's website (www.asx.com.au) and NOVONIX's website (<https://www.novonixgroup.com>).

These risks, together with other general risks applicable to all investments in listed securities not specifically referred to, may affect the value of the securities in the future. Accordingly, an investment in NOVONIX should be considered highly speculative. You should consider consulting your financial adviser or other professional adviser before deciding whether to apply for SPP Shares.

Where can I obtain more information on the SPP?

If you have any further questions you can call the SPP Information Line (see details in the Corporate Directory at the back of this SPP Booklet).

Terms and Conditions

Please read these terms and conditions carefully as you will be bound by them if you apply for SPP Shares. Eligible Shareholders whose Applications are accepted will also be bound by NOVONIX's Constitution.

1 Offer

- (a) Under the SPP, subject to and in accordance with these SPP Terms and Conditions, you will be eligible to apply for up to A\$30,000 of Shares with a minimum of A\$1,000 worth of Shares and a maximum amount of A\$30,000 of Shares (in certain increments as set out below) (**SPP Offer**).
- (b) The issue price for each SPP Share will be A\$0.16 per share which is the issue price of Shares under the Placements. This Issue Price represents:
 - (i) a 33.3% discount to the closing price of \$0.24 per share on 15 June 2026; and
 - (ii) a 31.2% discount to the volume weighted average price (VWAP) of NOVONIX's shares over the five consecutive trading days on ASX up to and including 15 June 2026.
- (c) NOVONIX has applied for Waivers to enable the SPP to be conducted at the Placement price and for the SPP Shares to be issued as an exception to NOVONIX's placement capacity. If the ASX does not grant the Waivers, the SPP will be conditional on shareholder approval to be considered at an extraordinary general meeting concurrently with the approval to issue the Conditional Placement. The outcome of the Waivers will impact the Key Dates summary and other anticipated dates of this Booklet.
- (d) The SPP Offer opens on 22 June 2026 and closes on 14 August 2026.
- (e) We expect that the Shares allotted to you under the SPP will commence trading on the ASX on or about 20 August 2026 and you should receive your holding statement or confirmation advice shortly after this date. You should check your holding statement to confirm your holding before trading in any Shares you believe have been allotted to you under the SPP.
- (f) You will be eligible to participate in the SPP if you were a registered holder of Shares at 7.00pm (Sydney time) on the Record Date, with a registered address in either Australia or New Zealand, and you are outside the United States and not acting for the account or benefit of a person in the United States (**Eligible Shareholder**).
- (g) Directors and employees of NOVONIX are entitled to participate in the SPP if they are Eligible Shareholders.
- (h) Shareholders who hold Shares on behalf of, or are acting for the account or benefit of, persons who reside outside Australia or New Zealand (including persons who are in the United States) are not entitled to participate in the SPP on behalf of those persons.
- (i) Custodians and nominees may not distribute this document or any other document relating to the SPP to any person in the United States and may not submit an Application on behalf of any person in the United States or elsewhere outside Australia and New Zealand.

- (j) Participation in the SPP is entirely at your option. The offer is also non-renounceable, which means that you cannot transfer your right to acquire SPP Shares to anyone else. Once submitted, your Application cannot be withdrawn or altered.
- (k) The SPP Offer is made in Australia under and in accordance with *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547*.
- (l) The SPP Offer is made in New Zealand under and in accordance with the *Financial Markets Conduct (Incidental Offers) Exemption Notice 2021*.
- (m) The SPP Offer to each Eligible Shareholder (whether you are a Custodian or you hold Shares on your own account) is made on the same terms and conditions.

2 Terms of the offer

- (a) Participation in the SPP is optional. Eligible Shareholders may apply to purchase SPP Shares in a Parcel with a dollar amount of A\$1,000, A\$2,000, A\$5,000, A\$10,000, A\$15,000, A\$20,000 or A\$30,000. If you are an Eligible Shareholder and wish to participate in the SPP, you must follow the instructions on the Application Form and make payment using BPAY® (or alternatively, electronic funds transfer if you are a New Zealand resident) equivalent to the dollar amount of the Parcel you wish to apply for (including providing the Biller Code and unique reference number provided to you on your Application Form for the purposes of the SPP only). Contact your financial institution to make your payment from your cheque or savings account. Your payment must be received by the Registrar by **5.00pm (Sydney time) on the Closing Date**. Payments must be made in Australian dollars. NOVONIX will not accept payment by cash, cheque, bank draft or money order.
If NOVONIX receives:
 - an amount that is not equal to A\$1,000, A\$2,000, A\$5,000, A\$10,000, A\$15,000, A\$20,000 or A\$30,000, NOVONIX may round down the dollar amount of SPP Shares that you are applying for to the next lowest Parcel; or
 - an amount that is less than A\$1,000, NOVONIX may reject your Application,
 and refund the portion of your Application Monies that is not used to purchase SPP Shares, without interest, as soon as practicable after the Allotment Date.
- (b) The SPP aims to raise approximately A\$3 million (before costs) (**Target**).
- (c) NOVONIX may in its absolute discretion allocate to you fewer SPP Shares than the value of the Parcel you have applied for (**Scaleback**). NOVONIX may in its absolute discretion determine to apply any Scaleback to the extent and in the manner it sees fit. For the avoidance of doubt, NOVONIX may apply a Scaleback regardless of whether the aggregate Application Monies received exceeds the Target.
- (d) NOVONIX may also, in its absolute discretion, determine to raise under the SPP a greater amount than the Target if the aggregate Application Monies received exceeds the Target. In this case, NOVONIX may accept applications in full or it may Scaleback Applications, at its absolute discretion.
- (e) In the event of a scale-back, the difference between the value of SPP Shares issued to you (calculated using the Issue Price) and the Application Monies will be refunded to you, without interest. Any application monies refunded by NOVONIX will be paid by cheque or direct debit (the payment method determined by NOVONIX in its absolute discretion) in Australian currency. Any refunds will be made as soon as practicable after the Allotment Date.

- (f) NOVONIX may, in its absolute discretion, accept or reject your Application for SPP Shares. NOVONIX may reject your Application in any of the following circumstances (among others):
 - (i) your Application is determined by NOVONIX to be invalid;
 - (ii) you have applied for SPP Shares with a total Application price of less than A\$1,000;
 - (iii) NOVONIX believes you are not a Shareholder eligible to participate in the SPP (subject to compliance with any applicable ASIC requirements);
 - (iv) your payment by electronic funds transfer or Application Form (as applicable) is incomplete or invalid; and
 - (v) your payment by electronic funds transfer or Application Form (as applicable) is received after the Closing Date.
- (g) If the value of the Parcel you have applied for cannot be divided by the Issue Price to give a whole number of SPP Shares and no scale-back is applied to your Application, the number of SPP Shares you will be issued will be rounded down to the nearest whole number of SPP Shares. If the difference between the value of SPP Shares issued to you (calculated using the Issue Price) and your Application Monies is less than A\$2, it will be donated to a charity or charities nominated by NOVONIX. If the difference is A\$2 or more, that amount will be refunded to you, without interest.
- (h) SPP Shares will, at the time of issue, rank equally with existing Shares quoted on ASX, with the same voting rights, distribution rights and other entitlements. This means that they will participate fully in any distributions which have a record date after the date of issue of the SPP Shares, if any.

3 Acknowledgements

4 Custodians and Nominees

- (a) Eligible holders of Shares who hold Shares as Custodian for one or more Beneficiaries who were resident in Australia or New Zealand on the Record Date (**Beneficiaries**) may apply for up to a maximum aggregate amount of A\$30,000 of

SPP Shares in any 12 month period, subject to the Custodian certifying to NOVONIX in writing:

- (i) confirmation of either or both of the following:
 - (A) that the Custodian holds Shares on behalf of one or more other participating Beneficiaries that are not Custodians; and/or
 - (B) that a Downstream Custodian holds beneficial interests in Shares on behalf of one or more other participating Beneficiaries, and the Custodian holds the Shares to which those beneficial interests relate on behalf of the Downstream Custodian or another Custodian;
- (ii) confirmation that each participating Beneficiary has subsequently instructed the following persons:

- (viii) where paragraph 4(a)(i)(B) above applies, the name and address of each Custodian who holds beneficial interests in the Shares held by the Custodian in relation to each participating Beneficiary.

- (b) By completing and submitting the Application Form, a Custodian certifies the above.
- (c) Please contact MUFG Corporate Markets (AU) Limited on 1300 188 463 (within Australia) or +61 1300 188 463 (outside Australia) from 8.30am to 5.00pm (Sydney time), Monday to Friday, to obtain the relevant certification material and submit this together with the completed Application Form. If a Custodian holds Shares jointly on behalf of two or more persons, the A\$30,000 limit applies jointly in relation to those persons as if the Custodian held the Shares on behalf of a single person.

5 Issue Price of SPP Shares

- (a) The Issue Price per SPP Share is A\$0.16, being the same price paid by investors under the Placements.
- (b) You agree to pay the Issue Price per SPP Share for the number of SPP Shares calculated by dividing your Application Monies (being a dollar amount of A\$1,000, A\$2,000, A\$5,000, A\$10,000, A\$15,000, A\$20,000 or A\$30,000) by the Issue Price or, if there is a scale-back, the number of SPP Shares calculated under these SPP Terms and Conditions.
- (c) You acknowledge the risk that the market price of Shares may change (ie, rise or fall) between the date you submit your Application and the Allotment Date, which may mean that the Issue Price you pay for the SPP Shares may exceed, or be less than, the market price of Shares on the Allotment Date. You are encouraged to seek your own financial advice in relation to this offer and your participation under the SPP.

6 Rights Attaching to the SPP Shares

SPP Shares will, at the Allotment Date, rank equally in all respects with existing Shares quoted on the ASX, with the same voting rights, dividend rights and other entitlements. This means that they will participate fully in any distributions which have a record date after the date of issue of the SPP Shares, if any.

7 Costs of Participation in the SPP

No brokerage, commission or transaction costs will be payable by Eligible Shareholders in respect of the application for, and the issue of, SPP Shares.

8 Risks

- (a) Shares are a speculative investment and the market price may change between the dates you apply for SPP Shares and the issue of SPP Shares to you. Accordingly, the value of SPP Shares applied for may rise or fall.
- (b) This SPP Booklet is not a prospectus and does not require the types of disclosures required under the Corporations Act. You must rely on your own knowledge of NOVONIX, previous disclosures made by NOVONIX to ASX, and, if necessary, consult your professional advisor when deciding whether or not to participate in the SPP.
- (c) These SPP Terms and Conditions should be read in conjunction with NOVONIX's continuous and periodic disclosures given to ASX, which are available on ASX's website (www.asx.com.au) and NOVONIX's website (<https://www.novonixgroup.com>). In particular, NOVONIX refers you to the risk factors set out in NOVONIX's most recent Annual Report.

- (d) Without limiting NOVONIX's continuous and periodic disclosures, there are specific risks which relate to NOVONIX's business, and general risks, many of which are largely beyond the control of NOVONIX and its directors. It is noted that an investment in SPP Shares is subject to a range of general risks applicable to all investments in listed securities. This includes, but is not limited to, the following risks:
- (i) the market price of listed securities can be expected to rise and fall in accordance with general market conditions and factors specifically affecting the sector in which NOVONIX operates;
 - (ii) securities listed on the stock market have experienced extreme price and volume fluctuations that have often been unrelated to the operating performances of such companies. These factors may materially affect the market price of the Shares, regardless of NOVONIX's performance, and no assurance can be given that the Shares will trade at or above the Issue Price;
 - (iii) Eligible Shareholders who do not participate in the SPP will have their percentage shareholding in NOVONIX diluted, and NOVONIX may issue new securities in the future (including, without limitation, to fund capital expenditure requirements) which may, under certain circumstances, dilute the value of a shareholder's percentage shareholding in NOVONIX; and
 - (iv) There can be no guarantee that there will continue to be an active market for NOVONIX's Shares or that the price of Shares will increase. There may be relatively few buyers or sellers of Shares on ASX at any given time. This may affect the volatility of the market price of Shares. It may also affect the prevailing market price at which shareholders are able to sell their Shares. This may result in shareholders receiving a price for their Shares that is less or more than the Issue Price paid under the SPP.

The above risks should not be taken as a complete list of the risks associated with an investment in SPP Shares. The risks outlined above, and other risks not specifically referred to may in the future materially adversely affect the value of NOVONIX's Shares and their performance.

9 New Zealand

- (a) The SPP Shares are not being offered or sold to the public within New Zealand other than to existing Shareholders of NOVONIX with registered addresses in New Zealand to whom the offer of the SPP Shares is being made in reliance on the *Financial Markets Conduct (Incidental Offers) Exemption Notice 2021*.
- (b) This document has not been registered, filed with or approved by any New Zealand regulatory authority under the *Financial Markets Conduct Act 2013*. This document is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

10 Important Information for Holders of Shares outside Australia and New Zealand

- (a) To the extent that you hold Shares on behalf of another person resident outside Australia or New Zealand, you may not distribute this SPP Booklet to such persons and may only purchase SPP Shares on behalf of them if you have investment discretion.

- (b) This document does not constitute an offer of securities in any place outside Australia or New Zealand. In particular, this document does not constitute an offer to sell, or a solicitation of an offer to buy, securities in the United States. The SPP Shares have not been, and will not be, registered under the U.S. Securities Act or the securities laws of any state or other jurisdiction of the United States. Accordingly, the SPP Shares may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and any applicable U.S. state securities laws.
- (c) Because of these legal restrictions, you must not send copies of this document or any other material relating to the SPP to any person resident in the United States or elsewhere outside Australia and New Zealand.

11 NOVONIX Determination Final

NOVONIX may determine in any manner it thinks fit, any difficulties, anomalies or disputes that may arise in connection with or by reason of the operation of the SPP and the decision of NOVONIX will be conclusive and binding on all participants and other persons to whom the determination relates.

12 Waiver, Amendment, Suspension and Withdrawal

NOVONIX may, at its absolute discretion, waive compliance with any provision of these SPP Terms and Conditions (including by accepting late Applications, either generally or in particular cases), amend or vary these SPP Terms and Conditions (including by changing the timetable for the SPP, such as the Closing Date and Allotment Date), or suspend or withdraw the SPP Offer at any time. Any such waiver, amendment, variation, suspension or withdrawal will be binding on all Eligible Shareholders even where NOVONIX does not notify you of the event.

13 No Underwriting

The SPP will not be underwritten.

14 Disclaimer of representations

No person is authorised to give any information, or to make any representation, in connection with the SPP that is not contained in this SPP Booklet.

Any information or representation that is not in this SPP Booklet may not be relied on as having been authorised by NOVONIX, or its related bodies corporate, in connection with the SPP. Except as required by law, and only to the extent so required, none of NOVONIX, its directors, officers or employees or any other person, warrants or guarantees the future performance of NOVONIX or any return on any investment made pursuant to this SPP Booklet.
